

Tk/Kindergarten Supply List

You can help your child be prepared for the first day of school by stocking his or her classroom with the supplies listed below. The **bold** items will be for only their use and the rest of the items are going to be used by the class as a community as consumable items. Your donations help outfit your child's classroom with consumable supplies. Plentiful supplies ensure that our students have a productive and self-directed learning environment. You can bring these supplies on Tuesday August 13th from 1-4 during our annual Meet and Greet event. Thank you!

Class Supplies for each child (items in bold are for personal use where the other items are for community use)

- **1 Reusable Water Bottle**
- **Backpack or Tote Bag (no wheels, not distracting)**
- **Change of clothes for classroom cubby (update with weather and size and fully labeled)**
- **Lunchbox (not distracting)**
